Consumers Raises Funds for Multiple Sclerosis with Walk MS Team

KALAMAZOO, MICH—Consumers Credit Union has supported the National Multiple Sclerosis Society for ten years, and is the Kalamazoo site sponsor. Sales and Service Manager Jeff Visser lead the effort to raise funds for Walk MS as Consumers' team captain.

Multiple sclerosis (or MS) is a chronic, often disabling disease that attacks the central nervous system. Join us in walking to raise funds to support MS research, professional education, and programs and services for helping people with MS move forward with their lives.

This year's walk begins at the beautiful Kalamazoo Institute of Arts on May 7th. Last year the event raised over \$21,000 with more than 200 walkers and volunteers.

"We are privileged to continue our long commitment of contribution to the MS Society in their mission to provide support, advocacy, and research for those affected by MS," says Visser.

Team co-chair and Gull Road office manager Kris Lewis comments, "Having participated and volunteered in Walk MS for the last four years, I've witnessed first hand the power a community can have in coming together for such a wonderful cause. With continued participation and support from our residents and local businesses, we will continue on the path of finding causes, treatments, and hopefully a cure for Multiple Sclerosis."

Consumers has been involved with Walk MS for the past ten years, serving as site sponsor for three, with an average of 20-30 employee and family participants. For more information, to participate, or to donate visit www.consumerscu.org.
