How to customize recent transactions

The Recent Transactions tile shows recent transactions across all your accounts. Follow these steps to learn how to customize your Recent Transactions to best fit your banking needs.

1. Log in to Online Banking. The **Recent Transactions** tile will be located on your main dashboard.

2. Click on a **Recent Transaction**.
   **Result:** An expanded **Recent Transaction** window opens.

3. On the right-hand side of the screen, click **Accounts**.

4. In the expanded **Accounts** list, select the checkbox next to the accounts you wish to view recent transactions from.
