

COLLEGE REDEFINED

Not online. Not traditional. This is degree streaming.

- **100% Smartphone-based.** No Zoom. No laptops. No classrooms.
- **Self-paced learning.** Designed to fit into **working adult lives.**
- **Stream** video lessons, podcasts & audiobooks **on demand.**
- **Less than half the national average cost of online degrees from private colleges.**
- As a member of Consumers Credit Union, you and your immediate family may be eligible for grants, federal financial aid, and SOAR Partner Scholarships.

Advance your skills. Open new doors.

Degrees designed to fit your busy life —
and fuel your future.

College has entered a new era.
